

THE NATIONS: "Ask of me and I shall give thee the heathen for thine inheritance and the uttermost parts of the earth for thy possession." This amazing promise given to Christ is extended also to His disciples if we would only simply LISTEN AND OBEY the commands of the Lord. Aggressive Kingdom advance is nothing less than fulfilling this request of the Lord. As James complains, "we receive not because we ask not..." It is beyond the comprehension of most believers that we can impact nations but it is a promise of the Lord and quite within His realm of possibility but we fail because of unbelief. **WE ARE AS ABOUT THE NATIONS AS IS THE LORD** because they are His heartbeat. Taking NATIONS for Jesus is establishing His ruling KINGDOM AUTHORITY through GOVERNING TERRITORIAL CHURCHES AND MINISTRIES within the nations. There is a vast difference between visiting nations and preaching and teaching and setting up earth shattering ministries within the nations. This conference will challenge you on how this is to be done.

TRUE BLUE PRINT: Just as the Lord gave Moses the pattern for the Tabernacle, so the blessed Holy Spirit gave Paul the blue print for the New Testament church. We are failing to impact the nations because we have not followed that blue print. There is a desperate need to raise up true apostles and prophets in this age so that we have fathers who are able to reveal the heart of God and lead the church into powerful nation-impacting ministries. We have tried to win multitudes of souls without first having genuine discipleship and creating generations of believers who are passionately in love with the Lord. We will examine how to get back to the stark reality presented by the blessed Holy Spirit.

EFFECTIVE MINISTRY: Every believer is blessed with a gift, ministry or calling — there are no exceptions whatsoever you might be. Exercising your gift, ministry or calling is not about talent but simply about obedience. Earth shattering governing territorial churches (YOU) build according to DIVINE PATTERN establishing leaders for the future, mobilizing resources and managing them so as to position for effective spiritual power.

DISCERNERS OF THE TIMES: "The children of Issachar were men that had understanding of the times to know what Israel ought to do." (1Chron 12: 32) What a great testimony of discernment. How I pray that the Church would get back to the same place. This is what this conference is about: that the Church would be such men and women of God that we would be able to rightly discern the times and what the Lord would have each of us to do in this critical hour. God is looking for a people of true vision watchmen who can blow the trumpet and sound the right note.

WARMLY WELCOME: You are so important to us and this ministry. So many have been prayer warriors, others have been sowers and investors whilst yet some have been movers and shakers on the mission fields together with us. Together we are a powerful team. We have always stood by David's law that those who go down to battle and those who stay with the stuff shall receive equal parts in the spoils of

WAR. This has been our fervent request to the Lord for each of you for decades and we know that God hears our cries and answers them. Kalibu/Shekinah/Out of Africa is one of the richest investments on the planet and we are so honored that you are a vital stakeholder in this strategic ministry. We warmly welcome you to Chicago for brainstorming the next decade of aggressive kingdom advance through strategic apostolic foundations. Let us celebrate HIM together. See you in Chicago.

HILTON EMBASSY SUITES

After a thorough research of hotels in many cities, we opted for this wonderful meeting place at Chicago's O'Hare Airport. Both before and after the conference there will be opportunity to see some of the wonderful sites of Chicago. The Hilton has magnanimously continued to offer the same amazing room rate during this period. This room rate includes a full English breakfast and of course, with Embassy Suites there is a refrigerator and a microwave in the suite so I encourage all delegates coming from within USA to bring a few frozen meals with them. STRATEGIC APOSTOLIC CONFERENCE on AGGRESSIVE KINGDOM ADVANCE

This is no ordinary conference simply for another spiritual high though you will definitely experience an amazing encounter with the Lord. This conference is for the purpose of positioning both leaders and believers for the next great advance of the Kingdom which is about to happen on this planet. Most Christians at all levels are blithely unaware that something strategic is happening in the heavens. Paul writing to the Ephesians challenged, *"To the intent that now unto the principalities and powers in heavenly places might be known by the church the manifold wisdom of God."* What a huge responsibility is mine, your and our testimony to those principalities and powers of darkness so that they are defeated by our victorious, powerful lives and testimonies and Christ is supremely exalted. Furthermore, what an enormous responsibility is mine, your and our testimony to the principalities and powers of light to be an encouragement in their great battle against darkness. The Holy Spirit is going to challenge all who attend to live radically for Jesus so that individually (YOU, the Church) and collectively, we establish a dynamic **TERRITORIAL GOVERNING CHURCH OR MINISTRY** wherever we might go and whatever we might do. Before we embark on any project we have to take the territory in the spirit. This is **NOT** spiritual warfare as commonly and popularly taught. This is touching the throne of God and gaining ground with **HIM** until God deals with the principalities and powers of darkness and sends them fleeing. Taking territory is reaching such a place of authority in the Kingdom that the individual believer becomes the "strong man" and fulfills the dictum of Jesus, *"The meek shall inherit the earth."* It is long overdue that we are **NOT** perceived as leaders and people instead of gifted vessels with one purpose, namely, to see the Lord glorified and ourselves as servants to the cause. Of course there are leaders and of course there are followers but **EVERYONE** has a gifting and calling and we desire that you find your place so as

poses and will for His glory and not the individual's satisfaction or personal kingdom building. We are all building **HIS KINGDOM** and we need all the resources to build. **PEOPLE, YOU** are the greatest resource with whom the blessed Holy Spirit has to work. This conference is about seeing your self-worth and rising up to be a blessing to the Lord by simple **OBEEDIENCE** to the Holy Spirit who, we should never forget, knows the mind and will of the Father. This is a **ONE OF A KIND CONFERENCE**. All speakers and teachers are **SEASONED OPERATIVES ON THE FIELD** and will bring their expertise from personal, practical experience in the battle and not theory or hypothesizing.
