Beloved Partners & Friends

I cannot emphasize strongly enough the power and authority that the church - that is YOU at the lowest level of the church - actually carry. Jesus declared that all authority was given to Him and He in turn, gave it to the church in Mark 16: 15. We all need to repent for having demeaned the Lord to our limited physical capabilities instead of allowing the blessed Holy Spirit to lift us up to the place of HIS boundless supernatural abilities. The common statement that I hear among believers of all persuasions is, "I am only one person, what can I do?" One person single handed in USA was able to get prayer removed from the schools. One person, single handed, was able to bring in abortion. Neither of them had the kind of supernatural power that is available to every believer. No, the real problem and truth of the matter is that the church is simply fat, comfortable and lazy. We just cannot be bothered to do anything about anything because we have the sick attitude and mentality, "Oh, the Lord will do it" or "The Lord will provide" whilst I sit back and do nothing. There is no Scripture in the Bible that declares that the Lord is simply going to do anything or intervene because He might just feel good about us. That is spiritual arrogance of the worst order. **GOD WORKS IN CONJUNCTION WITH HIS PEOPLE TO BRING TO PASS HIS PURPOSES.** The most important fact is to realize that the Lord actually has a plan and a purpose for you and your life in particular and it certainly is not about going to heaven. Heaven is an assured destination if you are washed in the Blood of the Lamb! God's greatest purpose is manifestly declared that, by the power of the church - remember, that is YOU - ALL principalities and powers in heavenly places might know the manifold wisdom of God!

REDEEMED FOR A PURPOSE

And, that manifold wisdom of God is CHRIST the REDEEMER. "For, if the princes of this world had known they would not have crucified the Lord of Glory." Do you see it, beloved? Do you see the enormous responsibility that is part of your salvation? You have been redeemed for the glorious purpose of being a dynamic praise in the whole earth and thereby declaring to all the hordes of darkness that Christ lives and He lives powerfully in you and through you. How dare any pastor or church leader demean praise and the right, yes, the absolute right given to every believer to purposefully PRAISE THE LORD? This is not an option for the church - YOU - but an express command and demand of the Lord. Every time you open your mouth and worship Jesus; every time you shout, "HALLELUJAH," every time you declare unashamedly, "I LOVE YOU, JESUS" you are telling the devil and every spirit that Jesus is alive and HE died with the purpose to reconcile you to God and make twain, ONE and that ultimately the next purpose is the demise of the enemy. What a shout rang out around the walls of Jericho that amazing day of its defeat. There is no doubt that as five million of Israel shouted with one great shout that echoed and echoed across the plains and valleys, that every principality and power vacated the entire land of Canaan and left it free for the taking. A spiritual battle of enormous proportions was won that day that left the natural battles a simple matter of execution. Victory was assured just as long as Israel obeyed the Lord. There is an incredible Scripture in 1Chron 14:11. David had been anointed king over all Israel and the enemy was out to get him. If you have received the baptism of the blessed Holy Spirit, you have received your anointing for SERVICE! Get out and serve. The enemy will be out to get you too. It is amazing how satan is not interested in people who are doing nothing in the kingdom. "God hath broken in upon mine enemies BY MINE HAND." It is so evident from this Scripture that the Lord needed David's obedience and then David's action of war to be able to put to flight the Philistines. The second battle was totally different to the first. The conditions and requirements for victory had altered in the space of hours. How we need to be super sensitive at all times to the blessed Holy Spirit to be able to change in a moment at His directives.

This is the principle of eating fresh manna every day. The amazing account clearly reveals that God did the breaking through but it was by David's hand. Wow, what a union of the spiritual, supernatural with the physical natural to bring about the defeat of the enemy. What the church - YOU - must realize is that when a natural defeat takes place, a spiritual one has preceded it. God cannot win the great war in the heavenlies unless we, the church, work in unity with Him and simply obey the directives of the Holy Spirit. Next time you feel like shouting, SHOUT! Next time you feel like leaping to your feet and declaring, "I love you Lord," then do so. Those urges are promptings of the Holy Spirit and we allow them to pass us by because of the fear of what others will think and say. Who cares? It is about time we are sensitive to what the Spirit feels and desires because HE knows the mind and will of the Father. Imagine that by one bold declaration of love for Christ, I am witnessing to the principalities and powers in the heavens that they have been spoiled and that the sacrifice of Christ was worth it all. It totally unnerves the devil and all his conspirators as nothing else will do. How easy that is for you, the church to do in obedience to the desire of the Lord. And yet, how difficult we make it to co-operate with the Lord for HIS PURPOSES of glory in the heavens.

HAVE A BLESSED CHRISTMAS

This year has been one of awesome achievement for the glory and the Kingdom of God. It is nothing short of an absolute miracle. When one considers that everything that has been accomplished has been done with donations from individuals as opposed to large donations from organizations or grants from organizations one has to acknowledge that only God could have been responsible.

Our outreach programs into Mozambique and throughout Malawi have continued despite the work going on with the Academy. We graduated a class from the Bible School in July. Our Mozambique work under the very capable leadership of Jim and Eileen Kirt is flourishing as is the Malawi work under Pastor Paisley. Our Malawi staff are a real blessing and work tirelessly at both the ministry and the school. We need double the staff we have but they are hard to find.

Our thanks to all those who have stood with us during 2007. Thank you for your prayers, thank you for emails and phone calls in support of what we are doing, thank you to those who made the effort to go and see the work for yourselves, thanks to those who took time out of their own busy schedules to go and work on various projects in Malawi. Thank you all those who made the effort to attend the meetings here in the United States or in the United Kingdom or Finland. We know how important time is in the West and we appreciate it when people take time out of their busy schedules to attend Pastor Michael's meetings especially when they are on nights other than Wednesday night or Sunday morning. It is always good to see our friends and partners at these meetings as that is often the only contact we have with some. Thanks to those who sent items for our containers both in the US and in Finland and to those who worked on palleting and storing and to Mike Benedict and team for loading. Last but not least our grateful thanks to those who invested financially into the work. What an amazing investment you have made—one that will reap an hundredfold not just here on earth but also in heaven. Thanks to those who roofed a church—what a blessing for that congregation to be able to meet without being rained upon. Thank you to those who have supported a pastor. He has been able to travel throughout his district without having to be concerned about food for his family. Thanks to those who have supported the elderly in Zimbabwe where the rate of exchange is now 6 million to US \$1. That is so mind boggling that we cannot even grasp it. Thanks to those who backed the computer project. We now have 45 new computers which we purchased from Zenith Computers in India. They cost us \$300 each and we will have to purchase a further 25 in April. There are so many other areas that have not even been mentioned here but our grateful thanks to all friends and partners who have believed in us and shared the vision. You are so much a part of all of this.

Have a glorious Christmas and I pray that each and everyone will be able to share with friends and family but if you are alone remember that the Babe in the manger grew up and left us His Holy Spirit who is our friend and comforter. He never leaves us and can be as real in our lives as we want Him to be.

All blessings to each and everyone for 2008. May you prosper and grow in the things of God. I pray that you will have more of a desire to know HIM such as you never have before—that the Holy Spirit would put such a yearning in your hearts for more and more of Him and more and more of His Word.

We love and appreciate you.
