**Beloved Partners & Friends**

Nobody can stand by idly and not see what on earth is happening. We are surely living in the age of the proverbial frog being slowly boiled without realizing that the temperature is rising. State control is reaching into every area of life. Nations in Africa that at one time ruled even your thoughts are far freer than most western nations. Control in Britain has become so excessive that any farmer may not mate his sow with a boar from another farm unless he gets permission to move the sow and unless he registers how many piglets are born. The mania over Obama has made him a Nimrod ruling over a Babel or produced Germany 1933 revisited in USA in 2009. And, the Church says nothing and does nothing because most believers have lost their legitimacy by being pathetically religious rather than dynamically in love. If the "charismania" over Obama has reached foolish proportions in the USA then the extreme adulation of Putin in Russia is utterly ridiculous and the Russian people voting Stalin as their greatest hero ever in Russian history is bizarre. The Russian government had to step in and officially reduce Stalin to third place but nevertheless, point taken. The making of super heroes who are initially idolized paves the way to create a "HITLER" and always will for it is the nature of fallen Adam to have a king of their own choosing. However will an American Congress stand against Obama when they are mesmerized by him and some are already talking a third term? What a breakdown of the checks and balances of government. The world is paving the way for the anti-christ himself. All that remains is for a charismatic figure to arise in Europe to complete satan's plans for the world. There is a super strong China in the east, Russia in the north, USA in West and Europe that will be the centre of the world. Everything in the future will focus on the one billion peoples of Europe. And,

## RISE AND BE COUNTED

Europeans are already under super control. The greatest enemy is the believer and in particular, the Holy Ghost filled believer. Christ is hated by most Europeans; Christ is hated by 1.5 billion Moslems; Christ is hated by 1 billion Hindus and Christ is fast becoming hated by the majority of Americans. We are living in the most momentous of times as we prepare for the coming King. It is not for believers to become emotionally wrapped up in personalities and events but to clearly see the barometer measuring the sand as time is running out. When the church loses her legitimacy, she gives every reason for the enemy to arise and flex his muscles. The craziness of Germans over Hitler in 1933 was simply because the church was utterly silent and the excesses of a wicked regime went unchallenged. When Christians shout and shout loudly, people will back off. Tragically however, we are living in the age of apostasy or the great falling away. It is not that Christians have utterly rejected Christ but that they no longer have any passion and have lost the vision of the Gospel to the ends of the earth. Whilst Moslems and Hindus are militantly proselytizing the Church has grown systematically silent. The will to reach the lost has gone because the church has compromised in the face of world ecumenism on the absolute truth that Jesus Christ is the only way, truth and life and there is access to God by no other. Now is the time to stand up and be counted for Christ no matter what the price or sacrifice we have to make as individuals. There is no other reason to live than Jesus and we need to live HIM with dynamic boldness and the sure knowledge that He dwells within this human temple and because He dwells within me, so does the Father. When all is said and done and the voices are silent and the accolades of men have finished there remains emptiness and nothing but shadows. BUT, when everything we do is done for Christ, it will last and will shine forever. The praises of the King will endure for eternal ages as He recognizes our labors for the Father. When the Putins of this world are gone and the Obamas are silent and relegated to the annals of history books, my song shall go on and on and my joy and victory shall increase. I shall await the blessing the praise of the BRIDEGROOM which I surely shall have though never deserving of it for He has chosen it so.

# KALIBU ACADEMY

Kalibu Academy is almost 2 years old now, and the school is busy trying to construct new training grounds and courts in order to develop not only the spirit and mind but also the body of the student. We have three soccer fields. Grass has been planted on two and the third is still under construction. The third will also be used as an athletic track. We will eventually build a swimming pool, basketball court, netball court, tennis court, a gym for indoor games, such as squash in order to keep students busy in their “down” time. The sports disciplines that we are undertaking now are: football, netball, basketball, volleyball (all for junior and senior boys and girls). Our vision is to have the following sports disciplines: squash, swimming, rugby, badminton, table tennis, lawn tennis, hockey, and cricket.

We are happy to announce that we came first at the basketball tournament held by the Blantyre learning community. We do not have a basketball court at our school yet, and we just started the basketball team. Every day we were practicing on the small court which one of our missionary family's built at their home. We are very happy about results on Saturday 17<sup>th</sup> of January - our junior and senior girls were in the second position and junior boys were in the first position. Sports director Mr. E.S. Ng'onamo

## Water Baptism

*Now there was a man of the Pharisees, named Nicodemus, a ruler of the Jews; the same came unto him by night, and said to him, Rabbi, we know that thou art a teacher come from God; for no one can do these signs that thou doest, except God be with him. Jesus answered and said unto him, Verily, verily, I say unto thee, except one be born anew, he cannot see the kingdom of God. Nicodemus saith unto him, how can a man be born when he is old? Can he enter a second time into his mother's womb, and be born? Jesus answered, Verily, verily, I say unto thee, except one is born of water and the Spirit, he cannot enter into the kingdom of God!(Jn 3:1-3).*

These verses endorse the need to be born again if we are to enter the kingdom of God and then to be baptized by immersion. That is why Sunday, January 18<sup>th</sup> saw the baptism of many Kalibu Academy students and two Bible school students. It was so captivating to see young people taking a grand step to walk with Jesus. BRAVO!

## FIRST EXTERNAL EXAM RESULTS

We are beyond thrilled with our first international examination results based on the British Cambridge University examinations. Out of 59 students who wrote the examination all 59 students passed the full certificate. True education is taking drop out students and the less intellectually endowed and getting them through. Most schools boast about their star academic achievers. Such students will make it anyway and only need a little guidance from teachers. To take a rejected student and really teach him or her and coach such a one through to be a winner is what Kalibu Academy is all about. 98% of all subjects written were passed 100% Candidates obtained passes in five or more subjects (That is a full certificate).

100% Pass in Accounts: 100% Pass in Business Studies: 98% Pass in Physics: 100% Pass in Biology: 100% Pass in Economics  
 100% Pass in History: 100% Pass in English as a FIRST language: 97% Pass in Chemistry: 94% Pass in Geography  
 95% Pass in Maths.

------------------	------

Pastor Howard will be in the United States from the beginning of August. If you would like to have him come and speak please contact this office in Missouri (636)462-5540. We are working on his itinerary.

We are delighted to announce that we now have an administrator for the school in Malawi. Pastor Paisley has taken on the task. He has been with us since he was a very young man and ably ran the ministry in Malawi and Mozambique for many years. We searched high and low for someone to administer the school when all the time he was "right under our noses." Finally, God had to point out that we already had the very best available—a man with great integrity, who is honest and trustworthy in every way and already knows the vision for the school. Congratulations Pastor Paisley and thanks again for stepping into the breach. Welcome too, to Mrs. Angela Kapangama who is already a board member but has now joined the staff and is a very able and capable accountant. She is also very helpful when it comes to "difficult" parents and knows just how to handle things.
