Beloved Partners & Friends

The power of true intercession is dynamic. This is not about spiritual warfare that screams at devils and demons and tries to bind ruling principalities of darkness without any success. Intercession is about PLEADING THE CASE WITH THE HIGH AND LOFTY ONE WHO INHABITS ETERNITY. Intercession is simply destined to work because the case belongs to the Lord, the methods belong to the Lord, the travail is the Lord and the outcome belongs to the Lord. This is about the burden of God's heart being carried by the individual and offered back to the Lord so that He might have utter victory in the realm of men. Why does God need to work in conjunction with me? A good question that carries a dozen answers of which not one will adequately satisfy and neither will all collectively satisfy either. It is one of those matters that belongs to the Lord and is, quite frankly, none of my business. All that the Lord requires is one vessel, yes only one vessel, to be implicitly obedient to carry the burden of His heart and "unburden" it in the end through nothing less than true Holy Spirit travail of which the church actually knows nothing. When the true intercessor finally hears the word of the Lord – no matter how it may come – that assures the Lord has accepted the travail then the intercessor's responsibility is over, the burden lifts and the intercession is complete. Isaiah 53: 11 declares, "The Lord shall see the travail of Christ's soul and shall be satisfied..." The fruit of the intercession may take years to manifest but it will, without doubt, manifest and of this, the intercessor has complete assurance and waits in faith. People everywhere seem to be in a real tizzy over Southern Sudan. I get question after question as to whether there will be freedom and will the whole peace process really work. Well, beloved, it

INTERCESSION

has worked for the past 6 years and on January 9th 2011 the Southerners will vote in a mighty referendum – the first ever – to decide their fate with the North. I already know the outcome for it is the will of the Almighty Lord Jesus Christ. It is not about the South wanting freedom or suffering from the evils of Khartoum and the Arabs. It is not about years of war yielding up independence or a collective will of southerners for the first time in their history. It is about the WILL of an Almighty God who has heard the sighs and cries of an oppressed people and has come down to answer that cry because HE moved a group of intercessors to travail. I will never forget the day that I heard the Lord clearly say, "I have heard your cries. Southern Sudan will be free..." I was standing in the hall we had built in Yei, South Sudan. It was an afternoon of intercession as any of the other afternoons that we corporately gathered with all staff and students. The Lord's words were so distinctive and clear; so simple. The Lord had received our travail and the birth of a nation was completed right there and then. I have never doubted or wavered since that day. Southern Sudan will be free and independent because it is the will of the Lord. With the same assurance I had from the Lord for Southern Sudan, I have received an equal burden for the freedom of Finland from Europe. This is not a matter of fact or fancy or the collective will of the Finnish people – who really do not know what they want - but of an Almighty God who desires to visit Finland and seems unable to complete HIS WILL FOR REVIVAL until and unless Finland is delivered from the European monster and mess. I have no doubt that THE ANTICHRIST will emerge out of a united Europe and the BEAST NATION in particular, Germany. Europe must go down and unless Finland gets out of Europe – for they are NOT Europeans – they will go down with Europe. This is about national survival for God's purposes and plans and it will require true intercession of the kind that was offered for Southern Sudan. BUT, intercession truly works and will always work when carried out in God's way, in His time and according to His WILL. I am not asking you – unless you are Finnish – to join the ranks of those interceding for Finland but you can

ask the Lord to give YOU the burden of His heart for and in your situation. Intercessors are NOT BORN. Intercession is not a special ministry or calling for a select few. Intercession is for every believer who will address himself or herself to the burden of God's heart for 2011, 2012: I cannot for the love of me think why there is such a hullabaloo over global warming when the world of science has totally ignored 2012. Most people are completely ignorant about the incredible universal phenomena that has actually begun and culminates on 21st December 2012 at 11.11 p.m. Greenwich Time. On this northern winter solstice all the planets in our solar system will be in a straight line with the sun. The combined gravitational pull of all the planets on the others is going to be extraordinary and the impact will be staggering. We must expect an explosion of earthquakes, floods, droughts and cataclysmic events. This is NOT the end of the world and neither will Jesus be returning BUT, it is yet another of the most significant events that catapults us into the transitional period of the return of the Lord. I have said all of that to say this amazingly important thing. If anyone is listening with the ear of the spirit and is being just a little spiritually sensitive you will have discerned a tremendous excitement in the air as we close 2010. This is ENORMOUS for the spirit world is positioning itself and the Lord is beginning to pour out upon the planet His glory. Watch events as they unfold in 2011. God's promise is that His glory will cover all the earth. There will not be an increase of significant healings and deliverances and all of the spectacular things we THINK should happen. There will be no mighty crusades taking place and untold numbers swept into the Kingdom at one time. But, there will be a growing awareness of the presence of the Lord that will divide men so that the Holy become more holy and the profane become wicked. A vast polarization of mankind is in progress. I sense an incredible thrill and excitement of the Lord that has been permeating me for some months now. This is above and beyond anything I have experienced before. It does not matter what happens in the natural – and there is plenty that is really negative – because the excitement of God's presence saturates my whole being and brings me into an awareness of the closeness of my amazing Father. Is this His glory? Are we not to experience His glory? And will all of mankind not be tangibly aware of His presence and glory before Christ appears? Indeed they will be completely conscious of God's presence. A great watershed happened in 2007 which was the generation after the capture of Jerusalem and its incorporation into Israel once again. Since then, events are moving with ever increasing escalation towards the end and the build up to 2012 will reveal such astounding physical wonders that anyone might be forgiven for truly thinking that this is apocalypse. We are privileged to be living in the most significant age; He has reserved the BEST UNTIL NOW and I have little doubt that I will see Him coming in the clouds of glory. It is however, not yet. Get prepared, get awakened and get motivated with the presence of the Lord's glory to live for His pleasure and delight.

STRATEGIC APOSTOLIC CONFERENCE for AGGRESSIVE KINGDOM ADVANCE

August 17th—20th

This is no ordinary conference simply for another spiritual high though you will definitely experience an amazing encounter with the Lord. This conference is for the purpose of positioning both leaders and believers for the next great advance of the Kingdom which is about to happen on this planet. Most Christians at all levels are blithely unaware that something strategic is happening in the heavenlies. Paul writing to the Ephesians challenged, *"To the intent that now unto the principalities and powers in heavenly places might be known by the church the manifold wisdom of God."* What a huge responsibility is mine, your and our testimony to those principalities and powers so that they are defeated by our victorious, powerful lives and testimonies and Christ is supremely exalted.

The Holy Spirit is going to challenge all who attend to live radically for Jesus so that individually (YOU, the Church) and collectively, we establish a dynamic TERRITORIAL GOVERNING CHURCH wherever we might go and whatever we might do. Before we embark on any project we have to take the territory in the spirit. This is NOT spiritual warfare as commonly and popularly taught. This is touching the throne of God and gaining ground with HIM until God deals with the principalities and powers of darkness and sends them fleeing. Taking territory is reaching such a place of authority in the Kingdom that the individual believer becomes the "strong man" and fulfills the dictum of Jesus, *"The meek shall inherit the earth."* It is long overdue that we are NOT perceived as leaders and people instead of gifted vessels with one purpose, namely, to see the Lord glorified and ourselves as servants to the cause. Of course there are leaders and of course there are followers but EVERYONE has a gifting and calling and we desire that you find your place so as to fulfill God's purposes and will for His glory and not the individual's satisfaction or personal kingdom building. We are all building HIS KINGDOM and we need all the resources to build. PEOPLE, YOU, are the greatest resource with whom the blessed Holy Spirit has to work. This conference is about seeing your self-worth and rising up to be a blessing to the Lord by simple OBEDIENCE to the Holy Spirit who, we should never forget, knows the mind and will of the Father. This is a ONE OF A KIND CONFERENCE. All the speakers and teachers are SEASONED OPOERATIVES ON THE FIELD and will bring their expertise from personal, practical experience in the battle.

YOU ARE WELCOME IN CHICAGO 17th to 20th AUGUST 2011. BOOK NOW and avoid disappointment. Teams are coming in from the nations with KINGDOM PERSPECTIVE that GLORIFIES our FATHER GOD.

TESTIMONIES

Dear Pastor

As we are about to usher in 2011, I felt in my heart I needed to write you this email. The main objective is to say thank you for standing by me in my walk with Christ. I know that words alone are not enough to express my appreciation for your support. However I know for sure that the Lord will satisfactorily thank you on my behalf.

At first I thought this was going to be the worst year in my life following last year's events. I felt cast down, forsaken and helpless. I even began to question my faith and all my joy, peace, hope, enthusiasm and plans in the things of the Lord appeared to have reached a dead end. I felt as if the whole world was laughing at me. I had so many questions but no answers.

Despite all odds your unfailing desire to see me progress and focus on God's work has strengthened my faith and given me an entirely new kingdom perspective. Just this year alone I have learnt so many things from you and I believe there are still many more things that I need to learn from you. Even now, as I am with my relatives I can see big differences in their lifestyle and their testimonies. Many of them are evidently going through situations that only Jesus can bail them out of.

I must confess that my coming to Kalibu was God's way of calling me into His marvelous Kingdom and you were His vessel to fulfill that task. Once again thanks very much and I wish you a prosperous new year. God bless.

PLEASE NOTE THAT THE CONTAINER HAS NOT AS YET BEEN LOADED. IT IS PROBABLE THAT IT WILL NOT LEAVE UNTIL THE END OF FEBRUARY SO IF YOU HAVE THINGS THERE IS STILL TIME TO SEND THEM TO THE WAREHOUSE IN TOLDEO.

KALIBU BIBLE SCHOOL

We have just had a team of contractors from Finland who gave up their Christmas and New Year to start setting up the first 18 studio apartments for the Bible School. We plan to have another 18 built and installed by the end of this year. The apartments are really well designed and will be private since each student will have his/her own. Thank you Finland for all your sacrificial hard work.

UPDATES

We plan on sending a container out to Africa in the Spring. We have been donated a vehicle for the school which is full of items for our new school clinic. This clinic will not only serve the school but also the Bible College once it opens. If you have anything you would like to send such as clothing and kitchen requirements for the elderly OR items to furnish the Bible School studio apartments please send them as soon as possible to: Shekinah Ministries, c/o I.C. Fluid Power, Attention Jordan, 63 Dixie Hwy, Rossford OH 43460 (419) 661-8811 ext 3006.

Next month we will do an article regarding the students who have graduated from Kalibu Academy and who have gone on the higher education. We have almost 200 in a three year period who are now attending universities in Malawi, South Africa, Kenya, The UK, the USA, Malaysia and Australia.

The law school in Malawi has a two to three mile line of students waiting for entrance at the beginning of each year and Kalibu graduates are permitted to walk right in.

The Medical school in Blantyre, Malawi is much the same.

This is the results of the seeds which you planted when you opted to run with us and to pray and support this project.
