Beloved Partners and Friends,
 South Sudan referendum: 99% vote for independence. There was a vast turnout for the vote. Some 99% of South Sudanese voted to secede from the north, according to the first complete results of the region's independence referendum. A total of 99.57 percent of those polled voted for independence, according to the referendum commission. Early counting had put the outcome of the ballot beyond doubt, indicating Southern Sudan had secured a mandate to become the world's newest nation. The poll was agreed as part of a 2005 peace deal to end two decades of war.

SOUTHERN SUDAN

"Dear Andrew
 Greetings and blessings. I am really amazed that you should be asking for prayer. The battle was won over 5 years ago in Yei. There is no need for prayer. God heard our intercession then and the whole matter was sealed and settled. To pray for Southern Sudan NOW is unbelief as well as being a little too late. CUSH WILL be free and Khartoum WILL accept the verdict because God has already moved on Bashir's heart and prepared him for separation.
 Pastor"

THIS IS GOD'S TRIUMPH ALONE

The outcome for me has never been in doubt nor even the size of the mandate. This decision was made by God in answer to His will. When God sets a mandate and His people fulfill the conditions of HIS MANDATE then success is assured - beyond guaranteed. THIS IS THE POWER OF TRUE INTERCESSION. I received the following email from one of our graduates a week before the referendum process began:

"Dear Brethren in Christ, HAPPY NEW YEAR FOR YOU ALL. I am Andrew Kuol Agok a graduate of Kalibu Kwa Yesu asking for your prayers for the special event which will take place on Sunday. The whole body of Christ will be praying on that day and we Southerners will be very busy voting for our freedom. Brothers, I am sure of your prayers all these years but I want to draw your attention to this event so you may involve whole congregations to remember us in prayer....Andrew"

My response sums up the matter as I quote:

Oh, the assurance that we have when matters are in the hands of the Almighty is overwhelming and comforting. There is no place whatsoever for doubt when the Lord answers the cry of true intercession and says, "It is done." This independence has not been the will of the Southerners - for they are an extremely divided people who has never joined together before - nor the will of the UN, USA, EU or anybody else. It has been the will of our all-powerful God who heard the cry of an oppressed people and chose to set them free. It is the passion of a God who moved a team of intercessors to carry the burden of HIS HEART in situ in Southern Sudan until HE assured victory. All the way, it has been the Lord and still is the Lord. Now, Southern Sudan can expect an outpouring of His Holy Spirit in the next phase of God's plans for Cush. He set them free for HIS VISITATION. If you have never read: TO SAVE A NATION you absolutely need to procure a copy from the office in Missouri.

KALIBU ACADEMY

While we are busy building the new Bible School there are still additions going on at the School. This is the new dining hall which will be almost as big as the present assembly hall. We are waiting for ESCOM (the power corporation) to move the transformer so that we can erect the building for the metal/woodworking classes. We already have the building which is structural steel like the dining hall but are unable to begin work until the transformer has been moved. TIA Hurry up and wait!!!!!!

KALIBU MINISTRIES

A pastor's conference was held early in the New Year. Many pastors traveled from all over Malawi and a few came in from Mozambique.

We are thrilled to welcome Errol and Davrel Lobb to Kalibu in Malawi. They were a vital part of the church we had in the Eastern district of Zimbabwe in the early 80's. They will be heading up the ministry work in Malawi as Pastor Paisley takes over as Headmaster of the school.

CHICAGO CONFERENCE

YOU ARE WELCOME IN CHICAGO 17th to 20th AUGUST 2011. BOOK NOW and avoid disappointment. Teams are coming in from the nations with KINGDOM PERSPECTIVE that GLORIFIES our FATHER GOD.

TESTIMONIES

Dear Pastor,

Living and learning in Malawi at Kalibu Academy has been one of the best things that has ever happened to me. At first the strict order seemed very harsh, but later on I realized how helpful and necessary it was to me. My life changed by 360 degrees in Africa. I learned so many lessons and most importantly got to know God better. I also finished my secondary school education with good grades and now have an opportunity to study in almost any place. I am now staying in Finland with my grandparents. I am applying for a place at Helsinki Metropolis University of Applied Sciences. The entrance examinations will take place on 12th of April, and I will start my studies (degree in Media Engineering) in September if I get accepted.

Thank you for all the guidance, help and encouragement you have given me at Kalibu Academy.

*Yours sincerely,
Andrius Bartulis*

I am greatly inspired with your teaching on Genesis, especially how you expounded the idea that Genesis is not all about history but more importantly, God. This teaching has come at a very appropriate time when the campus where I am learning law is surrounded and affected by the ideas of secular humanism. This literature is so meaningful, life changing, life saving and alive. As I sat down and reflected honestly on the message I felt and found that there is a gap in my spiritual life which needs urgent attention. I am so very happy, praying and dedicating more time each day thinking and praising God. Indeed, I am a true living testimony that God is love as you have so rightly indicated in your letter. I have been blessed a lot and I feel loved by God. Thank you for this amazing and life saving message. I can only ask and hope for more for I am hungry and thirsty for GOD. Isaac (Malawi)

Good morning Pastor,

I was very happy this morning to get an email from Mrs Mkandawire, Director for Bingu Silvergrey Foundation, informing me that her friend called from Zimbabwe asking her if there is a better and more disciplined high school in Malawi for her to send her sons. Mrs Mkandawire immediately advised the friend to send her sons to Kalibu Academy. The friend is yet to communicate with me but I am expecting to hear from her soon because Mrs Mkandawire gave her my e-mail address. Mr. Kavala—Kalibu

Dear Pastor Paisley Mavutula

The Executive Secretary of the Malawi Institution of Engineers (MIE) is today meeting with Nyengo Mtawali and his mother to congratulate Nyengo on his outstanding performance during last year's IGCSE's. In the same vein, MIE extends its commendation to Kalibu Academy for its pivotal role in this success story.

In view of Nyengo's expressed wish to pursue Structural Engineering, MIE has taken the initiative to rope him into the profession and, without preempting; these shall be discussed today too. MIE wishes to work closely with Kalibu Academy in recognizing Nyengo and bringing the exciting world of Engineering closer to students, former and current, of the school. The Executive Secretary of MIE, Mr. Vincent Mwale, will contact you soon after meeting with the Mtawali's, to discuss this further with you.

UPDATES

We plan on sending a container out to Africa in the Spring. We have been donated a vehicle for the school which is full of items for our new school clinic. This clinic will not only serve the school but also the Bible College once it opens. If you have anything you would like to send such as clothing and kitchen requirements for the elderly OR items to furnish the Bible School studio apartments please send them as soon as possible to:
 Shekinah Ministries,
 c/o I.C. Fluid Power, Attention Jordan,
 63 Dixie Hwy, Rossford OH 43460
 (419) 661-8811 ext 3006.

 It has been some time since we have had a new book out. I have just received the manuscript for Bwana's latest book on "Healing." He is also working on the book about the "End Times." This is a very exciting subject especially now that there is so much talk about the reemergence of the 12th Imam. As Westerners dismiss these stories as fables the Moslem world take them very seriously and truly believe that a deliverer will come and wash the world in blood and then bring peace.
 We are hoping to have both books available at the conference in August.
