Beloved Partners & Friends

It is time to see the glory of the Lord through His manifested presence. When the glory of the Lord falls and His tangible attendance comes down and explodes on earth, all voices are silenced. Liberal humanism that I hate so much because it is such an affront to God is all about the glory and exaltation of man who is nothing but the dust of the earth and a created vessel fashioned on the great wheel of the Master Potter. The whole purpose of man is the GLORY OF GOD! We are about to see the latter and former rain poured out simultaneously upon this planet. This is not by the will of flesh or the will of man or the desperation of the hour but by the will of the Almighty Sovereign of the entire universe. God has promised by Habakkuk, *"For the earth shall be filled with the knowledge of the glory of the Lord, as the waters cover the sea."* (Hab. 2: 14) The Lord is going to rend His heavens and come down as He came down at Sinai. The mountains will flow at His presence and all flesh shall see His awesomeness. The manifestation of God is going to be so frighteningly, overwhelming, powerful and creative that all men on the face of the entire earth will be without excuse on the Day of Judgment. What is going to happen? Well, firstly, God is going to show His Right Arm exceedingly in the face of all creation and vindicate His beloved Son. Secondly, He is going to show Himself that He is God and there is none besides Him. This, He will do with the most spectacular miracles and wonders since He visited Egypt through Moses. The grace of God in the face of Jesus Christ will be extended to all mankind. Spectacular healings and miracles together with mighty signs and wonders are going to be demonstrated by ordinary believers across the face of the earth. Every human is going to personally witness a great miracle, sign or

HIS GLORY

wonder or encounter someone who has experienced such a demonstration of God's grace and mercy. These signs and wonders will not be after any effort in prayer or crying out to the Lord. That has already been done. Spectacular miracles will happen by a simple declaration, "In the name of Jesus Christ of Nazareth, be healed" so that no flesh will glory in the presence of the Lord. Little children will be performing miracles, sign and wonders and leading skeptical adults. Simultaneously, the Lord is going to shake the earth. This has already begun. Let no man think that the explosion of earthquakes is merely a physical, geographical phenomenon. No, no, no, a thousand times, NO! God has already begun to shake the planet and this will continue until Jesus returns. The earth will rock to – and – fro like a drunken man in space but the hand of the Almighty is upon it to show HIS GLORY. He will be a fool of a man who does not believe and surrender to Christ. And yet, tragically, vast multitudes will rebel against Christ despite all the evidence. Cripples will be healed on the streets, the blind will see. Hospital wards will be emptied and mental institutions will become irrelevant as demons are cast out and the possessed set free. The greatest stadiums in the world built for revelry and fun will be turned into venues of massive prayer convocations and praise and worship marvels. The tangible glory of God in His *shekinah* will fill such stadiums with His literal smoke and fire. TV stations will tire of showing the miracles and the great meetings but there will be no other news of importance. Religious and political leaders will be silenced and the disgusting social psycho-phants out of Hollywood and the entertainment world who have blasphemed the Lord for so long will be exposed and ridiculous. The voice of the Lord will make them tremble and change or flee and hide. All who have mocked and scorned will be silenced. There will be no personalities in this outpouring of God's glory. There will only be the Lord to receive all the glory and honor. Of course God's GOVERNMENT AND ORDER will be in full operation through His true apostles and prophets but nobody will be singled out and exalted for it will be as Peter, James and John on the Mount of

Transfiguration. When Elijah and Moses disappeared after Peter had wanted to make them tabernacles and glorify them, there was left Jesus only to be gazed upon and exalted. We are all simply vessels to be fitted for the glory of the Lord. Nobody will care how big or small a meeting will be because the presence of the Lord will be in both alike and the same anointing and miracles, signs and wonders will be present in both alike. No person will dare to call his church or ministry after his name. Such things will be irrelevant in the face of the GLORY OF THE LORD!

Holiness will descend upon this planet and polarize the whole earth into three camps. The holy will become more holy. The profane will be more wicked and corrupt. The undecided will continue to waver. At the same time of course, the enemy will also be demonstrating LYING signs and wonders just as the magicians of pharaoh performed. This will be to deceive many. One will simply marvel at how people will possibly be seduced and deceived but they will. This will be an encouragement to and legitimize all the forces of the Anti-Christ and set the scene for the GREAT TRIBULATION which will be Satan's backlash and response to God's manifested glory.

The Glory of the Lord will not be upon the planet for an extended time – perhaps a few years only and then the end will come. Beloved, we are in the season and the Lord does need those who will spearhead what He is about to do. Rise up, break all the restraints and shackles that hold you captive and launch out into the fullness of the Lord now and experience His pre-glory outpouring.

OPEN DOORS

A number of years ago we were able to get a container of books donated from "Books for Africa" in Minnesota. At the time we were still working on having the school accredited by someone and asked Books for Africa to send plenty of text books which we thought would be used at the school. We were then accredited by Cambridge University and they only use text books which fit their curriculum. These text books from Books for Africa have been sitting in a room and taking up space for a number of years now. While I was there we decided to donate them to some organization who needed any form of text book and gave them to the Prison service in Malawi. The results have been wonderful and God has used it to open doors for ministry into the prisons which until now it has been extremely difficult to do. Here are two testimonies:

“Books Donation to Prison : An article appeared in the 'The Nation' newspaper dated 4, April, 2011 pertaining to a donation of books that was made to Zomba prison by Kalibu Ministries amounting to K2 million Kwacha. I just wanted to know if it is your organization that made this kind and very important donation and to say may God bless you and your work. I know the problems which the prison education sector experiences because I live here in Zomba and I have made some visits to this prison. I was really overwhelmed to learn about this timely donation and I know it will greatly help them to enhance the quality of learning.”

“I have attached below the article in the nation newspaper covering the donation of some of our books to Malawi's prisons including juvenile prison schools. They were very excited and I got to preach a good gospel message in the process to all the prisoners which I am told is not always easy - Many have asked but not many accepted to preach to everyone. Anyway they have also invited me back just to give my testimony and it seems like it could be a good door for the future as I have wanted to preach in Nkhotakota's prison when we are established up there. This donation is also suppose to have been reported on MBC news.”

Kalibu Ministries donates books to prisoners

MWERETI KANJO
STAFF REPORTER

Kalibu Ministries on Saturday donated books worth K2 million to Zomba Central Prison as part of its campaign to provide quality education to the youth.

Kalibu Ministries projects coordinator Andrew Kavala said the ministry believes in helping the vulnerable in society.

He said everyone, including prisoners, has a right to education.

Kavala said the ministry would like to complement government's efforts in improving education standards.

"Books that are in line with the syllabus help students pass their national examinations and other books are a source of knowledge outside the class room. It is because of this that the donation novels and dictionaries, among others," said Kavala.

Zomba Reform School head teacher, Gregory Mahomali, who is also an inmate at the prison, thanked Kalibu Ministries

the books will help students prepare for national examinations.

"We are very grateful to Kalibu and we urge others to emulate their example because we are faced with many challenges such as incentives," said Mahomali.

Deputy Commissioner of Prisons Little Mtengano said it is the Malawians changed the attitudes toward prisoners to assist the

CHICAGO CONFERENCE

I just returned from a meeting with the hotel in Chicago. I will be sending out a letter about parking, the airport shuttle and the menu and would greatly appreciate it if you would contact the US office and register if you are

definitely going to come. We realize that times are tough and that it is a sacrifice on your part with the cost of travel and the cost of the hotel but we are not charging a registration fee. We still need to know ahead of time who is planning to come so that we can have name tags made and handed out on your arrival. We also need you to decide ahead of time what meal you would like to order as the hotel have to have numbers for catering.

Please do not leave bookings until the last minute as once we lose the rooms we will not be able to get them back at the same price. You may book on line by going to the following web address:

http://embassysuites.hilton.com/en/es/groups/personalized/C/CHIRMES-SKM-20110814/index.jhtml?WT.mc_id=POG.

If you intend to spend longer in Chicago the hotel have agreed to give us that rate before and after the conference but in order to do that you have to call them on (847) 737-4619 and ask for Lisa Koehler. You will not get the rate trying to book on line.

I HAVE LEARNED

I've learned....

That the best classroom in the world is at the feet of an elderly person.

I've learned....

That when you're in love, it shows.

I've learned....

That just one person saying to me, 'You've made my day!' makes my day.

I've learned....

That having a child fall asleep in your arms is one of the most peaceful feelings in the world.

I've learned....

That being kind is more important than being right.

I've learned....

That you should never say no to a gift from a child.

I've learned....

That I can always pray for someone when I don't have the strength to help him in some other way.

I've learned....

That no matter how serious your life requires you to be, everyone needs a friend to act goofy with.

I've learned....

That sometimes all a person needs is a hand to hold and a heart to understand.

I've learned....

That walks with my father around the block on summer nights when I was a child did wonders for me as an adult.

I've learned....

That life is like a roll of toilet paper. The closer it gets to the end, the faster it goes.

I've learned....

That we should be glad God doesn't give us everything we ask for.

I've learned....

That money doesn't buy class.

I've learned....

That it's those small daily happenings that make life so spectacular.

I've learned...

That under everyone's hard shell is someone who wants to be appreciated and loved.

I've learned....

That to ignore the facts does not change the facts..

I've learned....

That when you plan to get even with someone, you are only letting that person continue to hurt you.

I've learned....

That love, not time, heals all wounds.

I've learned....

That the easiest way for me to grow as a person is to surround myself with people smarter than I am.

I've learned....

That everyone you meet deserves to be greeted with a smile.

I've learned..

That no one is perfect until you fall in love with them.

I've learned...

That life is tough, but I'm tougher.

I've learned....

That opportunities are never lost; someone will take the ones you miss.

I've learned....

That when you harbor bitterness, happiness will dock elsewhere.

I've learned....

That I wish I could have told my Mom that I love her one more time before she passed away.

I've learned....

That one should keep his words both soft and tender, because tomorrow he may have to eat them.

I've learned....

That a smile is an inexpensive way to improve your looks.

I've learned....

That when your newly born grandchild holds your little finger in his little fist, that you're hooked for life.

I've learned....

That we all want to live on top of the mountain, but all the happiness and growth occurs while you're climbing it.

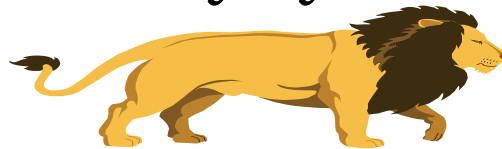

I've learned

That the less time I have to work with, the more things I get done.

THANK YOU ANDY ROONEY.

Let us try to reflect and be more like Jesus in 2011. We are the only examples of Jesus that the world will see. What kind of testimony are we to a lost and dying world? Let us walk the extra mile, forgive seventy times seven, turn the other cheek....that does not mean that we should be "wimpy Christians" - Jesus was never "wimpy." Are you an expression of God's love in the earth today?

We plan on sending a container out to Africa in the Spring. We have been donated a vehicle for the school which is full of items for our new school clinic. This clinic will not only serve the school but also the Bible College once it opens. If you have anything you would like to send such as clothing and kitchen requirements for the elderly OR items to furnish the Bible School studio apartments please send them as soon as possible to:

Shekinah Ministries,
c/o I.C. Fluid Power, Attention Jordan,
63 Dixie Hwy, Rossford OH 43460

We will have two books ready for the conference in August. These books are being edited at the moment. It has been some time since we released anything new.

The first book is called "TRUE TRAVAIL." The second book is on Healing

In the next couple of weeks a newsletter special will be mailed on the Elderly project in Nsanje. I had the opportunity to visit the elderly while I was in Malawi. What a sad situation and we feel that it is something that needs to be addressed separately.
